

Nam Bộ Boutique Hotel, Cần Thơ

The [Nam Bộ Boutique Hotel](#) is an all-suite hotel located right in the center of the Ninh Kiều pier, in Cần Thơ, at a stone's throw of every river transport, and which affords a panoramic view of the Mekong river.

Boutique Hotel & Restaurant

The *Nam Bộ* is your ideal port of call in the Mekong delta, for a stay or simply for a cocktail or a fine meal. It harbours a classic Vietnamese restaurant, the [Nam Bộ restaurant](#) on the ground and first floor, and a small, delicate restaurant on its rooftop, [L'Escale](#).

[Ultimate Journeys for Two \(National Geographic\)](#) singled out the Nam Bộ Boutique Hotel as the place to be in the delta.

It is the perfect base for excursions in Cần Thơ and out to the surrounding countryside.

[Short history](#)

The Comptoirs d'Indochine

The original Nam Bộ was established just opposite the present one, in the corner house of a line of 1930s' *Comptoirs d'Indochine* buildings, to which markings on top of the doors and windows, as well as the whole tiled roof bore witness.

Colonial times

The *Comptoirs* were for a time the main commercial venue for the French colonial power to gather agricultural produce to be brought back to feed Saigon, and also, maybe more prominently, the outlet for many basic commodity goods, from rice to wheat, to salt and spices, and notably opium.

A spin-off of the [Messageries Fluviales de Cochinchine](#), which had built and maintained a monopoly over postal transportation in the South-Western provinces, the *Comptoirs* disappeared in the second world war, and its buildings were nationalized in the second half of the XXth Century.

Mỹ Cảnh

The original Nam Bộ was set in the corner house, which was previously employed as a closed restaurant of sorts under the name *Mỹ Cảnh*, 'nice view'. The place was ill-reputed and ill-fated as it was facing the main market place of Cần Thơ. The view is the only thing surviving that period.

Hotel building and location

Over the years since 1998, the Nam Bộ restaurant has established a solid reputation for simple yet tasteful ambiance and affordable quality meals.

In 2010, we left the beautiful old *Comptoirs d'Indochine* house of the original Nam Bộ, which was to be demolished, overhauled the building right in front of the old location, and in April 2011, the *Nam Bộ Restaurant* reopened.

Location

The *Nam Bộ Boutique Hotel* is located in the middle of the Ninh Kiều pier, facing the statue of president Hồ Chí Minh and the bus boat pier, with the Cần Thơ bridge in the distance.

Building

Newly renovated with a classic style, the *Nam Bộ* offers the services of the *Nam Bộ Restaurant* on the ground and first floors, the seven suites of the *Nam Bộ Boutique Hôtel* on the second and third floor, and those of *l'Escale* on the fourth floor.

Nam Bộ Restaurant

Set on the ground and first floors of the building, the **Nam Bộ Restaurant** is the successor of the classic Nam Bộ that welcomed the first foreign visitors to Cần Thơ in the late 1990s. It built its reputation on a warm welcome, regularity in service and varied Vietnamese as well as western cuisine.

Vietnamese tradition

The *Nam Bộ Restaurant* serves a variety of traditional Vietnamese dishes, from light snack to full-fledged 7-course dinner. Its menu spans from the classic Vietnamese dishes like all manners of nem and fish to Mekong delta specialties as the Lẩu hot pot and some snake preparations.

Try Cần Thơ beef in the *Nam Bộ Restaurant* and be convinced that local beef can be very good.

For the travelers weary of Vietnamese cuisine, the *Nam Bộ* also offers a wide selection of western classics, from beef steak to Italian classics, pizza and pasta, and other European dishes. Chicken with tarragon is a must.

The Nam Bộ restaurant also delivers **pizza. 0292 382 3908**

I'Escale : rooftop lounge

L'Escale is the more select top-floor venue of the *Nam Bộ Boutique Hotel*. It offers fine market-inspired tapas, a well-furnished wine cellar and quiet lounge with an unbeatable view of the river.

Tapas & wine bar

L'Escale is perfect for those who look for a quiet, quality European time away from the crowds, be it for sentimental moments, as a respite at the end of a long journey, or for business in the best terms.

L'Escale has a solid wine cellar, which will meet the expectations of the connoisseurs, with the variety of grapes and origins to accompany any fine meal.

The **best time to come** may well be about **5PM**, as *L'Escale* is oriented East and the scenery of the river gets breathtaking with the approaching sunset.

Grab a cocktail or a coffee, make yourself comfortable, appropriate a table with a view, the end of the balcony, or join in at the bar. The barmaid prepares a drink to your liking, ever discreet and caring.

Nam Bộ Boutique Hôtel

The *Nam Bộ Boutique Hôtel* has only seven suites, each unique, so we can give you all our attention.

As the first boutique hotel in Cần Thơ, the *Nam Bộ* welcomes you to the heart of the Mekong delta.

The suites

[Enquire now](#)

All the suites have a living room with a view, a separate bedroom and an en-suite bathroom.

Each living room has a flat screen TV set and access to the internet through a fast LAN. Each bedroom has a flat screen TV set and access to the internet through the Wifi.

The only junior suite, #7, has a living room set low in wood with cushions, offering a relaxed ambiance and a space to unwind. It may host up to two more guests just by converting the living room.

Four larger main suites are available: #3, #5, #6, #9. Each has a living room and a bar area suitable for in-room dining upon advance notice, or even not if only for two. Suite #6 can connect to suite #7, and host comfortably four, and up to six guests. Its dining area is large enough to arrange in-room dining for six.

The corner suites, #4 and #8, will stun you with their panoramic view of the Mekong, the pier, the statue of Uncle Ho and, in the distance, the majestic Cần Thơ bridge. Access to the corner suites is elevated, and gives a panoramic view right from the entrance. The dark wooden floor and curtains in rich colors are balanced with the lighter brushed steel furniture.
